

Winter Clothing

1. When do you start wearing winter clothes? Do you follow the weather forecast or your own opinion?
2. What is your favourite item of winter clothing?
3. What color is your winter coat? Do you prefer bright colors or dark colors in winter?
4. Do you wear a hat, toque/beanie or something else on your head in the winter?
5. Do you prefer wearing gloves (fingers separated) or mittens (fingers together)?
6. Do you wear boots in the winter? Are they waterproof? Are they lined?
7. How many layers of clothing do you usually wear on a cold day?
8. Do you wear a scarf? If so, do you wear it inside your coat or over your coat?
9. Do you care more about fashion (looking good) or function (staying warm)?
10. Do you like wearing heavy, thick sweaters or thin, thermal layers?
11. What is the most comfortable thing to wear when you are staying inside on a snowy day?
12. Does your personal style change a lot between summer and winter?
13. Have you ever knitted your own scarf, hat, or sweater? Would you like to learn?
14. Winter coats can be very expensive. How much is "too much" to spend on a coat?
15. How often do you buy a new winter coat? Is there a brand you prefer?
16. What materials do you think are the warmest (e.g., wool, down feathers, fleece, synthetic)?
17. How do people dress for winter in your home country compared to where you live now?
18. What is your opinion on wearing real animal fur for warmth? Is faux (fake) fur a better option?
19. How often should you wash a winter coat? Do you think people wash them enough?
20. If you could design the perfect winter jacket, what features would it have (e.g., heated pockets, built-in headphones)?
21. If you were going on a ski trip or to the Arctic, what special clothing would you need to buy?
22. Have you ever been extremely cold because you didn't have the right clothing. What did you do?
23. Are ear muffs a good idea to protect your ears? Does your coat have a hood?
